Until then, for those of you who just can't wait to plug in and go, we offer you To reduce the risk of electrical shock, NEVER remove or otherwise attempt to defeat the ground pin of the power cord. Also, avoid sudden and intense impact. If the unit has been subjected to any of the preceding abuses, have it looked at by an authorized service center.. NEVER spray liquid cleaners onto the amplifier. Wipe it with a slightly dampened, lintfree cloth to remove dirt and film. Refer the unit to an authorized service center for inspection. Such damage is progressive and irreversible. Consider using quality hearing protection devices. Louis, MO 63146, USA The EQ settings will vary depending on the amp model you choose. The internal speaker is muted when headphones are used. Can also be used for recording. To learn a whole lot more, read the rest of this guide!. September SaleSeptember SalePlease contact them to ask about shipping. Comes with the shipping box, and manual. Has a small scuff, on front bottom of cabinet, must really look to see it. Also, The gain switch has a SMALL amount of noise when adjusted, but amp works good otherwise. These amps are quite loud for the size. Thanks for the interest.Please check the fields highlighted in red.Currency. Im trying to get something used on a Budget until I can save for something higher end. Not sure if any of these are any good. Crate GX 20R Boss MG10 I live in an Apartment Im not looking for something extremely Loud I just want something with good sound. Once I move im going to get something more high end and bigger.Im going to Hop on the VOX.Right now I think im going to pick up the Crate GX 20R. Based on the radius, a new location list is generated for you to choose from. Been years since plugging it in.The guitar channel active or passive has its own tone and feedback controls as well. Just.Great modeling amp for a beginner or amateur guitarist looking for different sounds.

CRATE MX10 Guitar Amplifier

Lots of amp models and effects to find the sound you want! Also patch chords, microphones, guitar stands, and switches. Make an offer on any or all!!! I have two of them and they are both excellent amplifiers. I'm keeping the one that belonged to my father in law. This is an amazing acoustic amplifier; I played quite a few acoustic amplifiers at Long and McQuade and then I listened to my father in laws. I bought this one not long after that as it by far the most impressive one. There are zero issues with it. Details The CA30D Taos compact acoustic amplifier delivers 30 watts RMS and incorporates two. Plenty loud! Three channel amplifier, with effects. Two speakers! Foot switch! I bought it to use as a 2x12 cabinet. No trades, just cash wanted. This is a very fun amp. Its got a few scrapes and dents from moving around pictured. I recently made the swap to a tube amp and havent used this one as much anymore. Its got two 2x12 100 watt Celestion Seventy 80 speakers which produce a very adaptable sound. Heres a link for more info on the speakers It also features three separate channels clean, crunch and distorted as well as a ton of fun on board. It also has Reverb. Great Versatile Amplifier. Text or email if interested. 4166052595 Cheers! Please look up reviews. This was a dealer special with upgraded tone tubby speakers. This thing has all the power you would ever need with an awesome Marshall type growl in the lead channel and an awesome clean pedal platform on the clean channel. Has a bunch of awesomely useful onboard effects that can be programmed to each channel and can be switched on/off using the included foot switch chorus, delays, reverbs, auto twah, vibrato. Made by Crate. Built In Tuner. External Output to go to a PA. Distortion Channel. Newmarket Aurora Area. It comes with the pedal to switch channels. Magnatone amp, meant to be played loud Master volume and presence Same knob, lol.

inc original footswitch Three bands of equalization, with Crates exclusive Contour control, provide exceptional tone control and minimize feedback. The CA30 also features 8 of Crates stunning DSP effects, including short and medium Slapback Delays, Echo,. Still works great, just dont use it anymore. Something went wrong. View cart for details.
